**LinkedIn**  
<https://www.linkedin.com/in/christian-kane-845702177/>

**Website**  
[tx.ag/ckane](http://tx.ag/ckane)

## Skills

- Written and Verbal Communication
- Problem Solving
- Programming
- Mathematics
- Agile Methodologies
- Public Speaking

## Languages/Frameworks

C++	★★★★★
Heroku	★★★★★
GitHub	★★★★★
Python	★★★★★
Java	★★★★★
PSQL	★★★★★
HTML/CSS	★★★★★
Ruby on Rails	★★★★★
React.js	★★★★★

I managed to complete my entire degree in 3 years with an excellent GPA. If nothing else, this is a testament to how truly willing I am to *learn and work with diligence* under difficult constraints.

## Education

2019-08  
- present

**Computer Science, Bachelor of Science**  
*Texas A&M University, College Station (GPA, 3.647)*

- To graduate May '22, 6 semesters total, with a BS in Computer Science and a Minor in Mathematics.

## Work History

2021-08  
- 2022-01

**Peer Teacher**  
*Texas A&M University, College Station, TX*
